	John Kross, Pinal RTA Executive Director, provided the following update: ***PRTA Board meeting update from October 9, 2026 and November 9, 2026*** *At the Pinal RTA Board meeting held on November 9, 2026, the Board approved draft legislation concerning the Sales Tax Refunds Fund Balance (estimated between $40M and $45M) for use on road projects in Pinal County submitted by member cities and towns. Some projects are consistent with the 2017 regional plan and 2024 Draft Regional Plan, but all funds go directly to projects with a focus on safety, congestion relief, and/or regional connectivity. We believe this honors the original intent of the voters when they approved the 2017 Regional Transportation Plan and ½ cent sales tax.* *The draft Legislation would appropriate remaining funds based on population, using the identical, statutorily defined process for the Pinal County Road Maintenance Tax that the Board approved at its October 9, 2026 meeting.* *It should be noted that the PRTA Sales Tax Refund Program ended on April 9, 2026. We approved 634 applications, with an estimated refund of $43-$44 million.* *The Arizona Department of Revenue (ADOR) is still finalizing and closing out the program. This may take until the end of the year.* ***Audit Update.*** *We have completed two of three audits thus far. At the Board's October meeting, they approved a contract for the third and final audit of the Sales Tax Refund program, and at their meeting on Nov. 9, 2026, the Board accepted the Fiscal Year Ending 2025 Audit. All audits are "clean" and meet all Governmental Accounting Standards Board (GASB) and other financial reporting requirements of statute, as applicable.* *Many thanks again to Pinal County and the ADOR for their support and substantial assistance with the audits.*
