<b>Notes</b>	<p><b>Apportionments</b> represent the amount of federal funding based on formula. Apportionments generally exceed obligation authority (OA), resulting in excess apportionments that cannot be obligated. Over the life of a multi-year federal transportation program authorization, apportionments may accumulate but cannot be utilized unless Congress approves a matching amount of OA. There is no guarantee Congress will provide the OA necessary to fully utilize apportionments.</p> <p><b>Obligation Authority (OA)</b> is the amount of authorized apportionments which Congress allows states to obligated in an individual year. This is the amount which FHWA will reimburse. Effective</p>

**MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD  
**FROM:** Irene Higgs, Sun Corridor MPO Executive Director  
**DATE:** March 8, 2022  
**SUBJECT:** Transportation Improvement Program (TIP) Amendment #13 - Administrative Amendment – Information Only

TIP Amendment #13 was submitted by MPO staff on December 20, 2021. The Amendment moved the Design and Construction of the Systemic Lane Departure out by one Fiscal Year.

Because the project was moved by only one Fiscal Year, the Amendment was processed Administratively by ADOT.

Project changes are detailed below:

Re: FY2020 – 2029 Sun Corridor MPO TIP Amendment #13

Myrna:

Attached is a copy of Amendment #13 for the FY2020 – 2029 Sun Corridor MPO TIP. Because the Amendment involves moving the project only one Fiscal Year, the Amendment is being processed Administratively. The Sun Corridor MPO requests that the FY2020 – 2029 amendment be reviewed and processed by ADOT.

Project changes are summarized below and highlighted in yellow on the attached copy of the TIP.

**FY2022**

STIP ID	Sponsor	Project Name	Fed Aid Type	Federal Funds	Local Match	Total	Action
101740	Casa Grande	Systemic Lane Departure	HSIP	\$180,000	\$0	\$180,000	Move Design from FY21 to FY22

**FY2023**

STIP ID	Sponsor	Project Name	Fed Aid Type	Federal Funds	Local Match	Total	Action
101740	Casa Grande	Systemic Lane Departure	HSIP	\$311,580	\$0	\$311,580	Move Construction from FY22 to FY23

The Sun Corridor MPO Technical Advisory Committee (TAC) and Executive Board will be informed of FY2020 - 2029 TIP Amendment #13 on the following dates:

MEETINGS	DATE	LOCATION-APPROVAL
SCMPO TAC	February 24, 2022	Casa Grande
SCMPO Executive Board	March 08, 2022	Casa Grande

---

Thank you for your help in processing this TIP Amendment.

Sincerely,

A handwritten signature in blue ink, appearing to read "JH", is placed above the typed name.

Ms. Andrea Robles, Executive Director  
Central Arizona Governments  
2540 W. Apache Trail #108  
Apache Junction, AZ 85120

Dear Andrea:

I would like to take this opportunity to thank Central Arizona Governments (CAG) for providing Mobility Management (MM) services for all Transit Programs within the Sun Corridor MPO planning boundaries. The Sun Corridor MPO gladly supports CAG submitting an ADOT 5310 grant for the two-year period of FFY2023 (October 1, 2022 to September 30, 2023) & FFY 2024 (October 1, 2023 to September 30, 2024) for the position of Mobility Manager.

As you are aware, there are no boundaries when it comes to our transit programs within Pinal and Gila Counties. Many of the existing 5310 programs have sites in both counties, and often may have additional offices or sites located in many of our respective communities. The coordination efforts between CAG and Sun Corridor MPO are paramount to ensure that the 5310 programs receive the best technical assistance and guidance.

This letter serves as our support for the CAG MM two-year application grant. Again, we appreciate that CAG has agreed to continue to manage this most valuable program and look forward to our continued partnership.

Thank you again.

Sincerely,

A handwritten signature in blue ink that reads "Irene Higgs".

Aubree Perry  
Transit Program Manager  
ADOT Multimodal Planning Division  
1611 W. Jackson, MD310B  
Phoenix, AZ 85007

Dear Ms. Perry,

On behalf of the Sun Corridor Metropolitan Planning Organization (MPO), I fully support the application from the City of Coolidge for the Arizona Department of Transportation FFY 2022 & FFY 2023 Section 5311 grant funds. The Sun Corridor MPO provides transportation planning services to the cities of Coolidge, Casa Grande, Eloy and a portion of Pinal County.

Coolidge's Cotton Express and CART services are the primary public transit services in Pinal County, serving the communities of Casa Grande, Coolidge, Eloy and Florence. The transit services provide key transportation to area employees, student, and numerous other residents who utilize the services to visit grocery stores, college classes, medical services, and countless other activities they may be unable to access without Coolidge's system in place.

I would like to thank you in advance for considering the City of Coolidge Section 5311 application. If you have any questions or require additional information, please don't hesitate to call me at 520.705.5143.

Sincerely,

A handwritten signature in blue ink that reads "Irene Higgs".

The Honorable Peter P.M. Buttigieg  
Secretary  
United States Department of Transportation  
1200 New Jersey Avenue, SE  
Washington, D.C. 20590

Dear Secretary Buttigieg:

The Sun Corridor Metropolitan Planning Organization is proud to submit this letter supporting the I-10/Kortsen Traffic Interchange in Casa Grande, Arizona, for a 2022 Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant. This project will improve transportation access for newly emerging industries in south-central **Arizona's Gateway to the Electric Vehicle Future**. Lucid Motors has constructed a plant that will produce tens of thousands of electric vehicles annually in Casa Grande, while Nikola will do the same for electric trucks in neighboring Coolidge.

Lucid and Nikola selected south-central Arizona to help shape the electric vehicle future due to access to transportation infrastructure including; Interstate Highways 8 and 10, nearby rail service to obtain parts made in Mexico, and convenient access to Phoenix Sky Harbor International Airport. The location is logical for resiliency-related reasons as well, being safe from most climate-related disasters.

While the proximity of Interstate Highways and railroad lines is ideal, additional help is needed to ensure that the local roadway system can handle the transportation demands that will quickly increase due to the recently opened Lucid plant, the Nikola plant that is under construction, and many supporting businesses that will soon be opening in the region. Adding a new I-10 interchange at Kortsen Road will help to balance out traffic on the regional arterial street system to avoid overloading roadways that do have access, specifically Florence Boulevard and McCartney Road.

In addition to creating jobs in the community, the project will add a sidewalk and bike lanes to accommodate non-motorized transportation across I-10. Casa Grande's voter-approved June 2021 Comprehensive Plan update emphasizes alternative transportation modes.

There is strong support for this project by many levels of government and a wide variety of stakeholder agencies, but the most crucial support comes from the people themselves. In November 2017, the voters of Pinal County approved a half-cent sales tax to pay for specified elements of the Pinal Regional Transportation Plan, including substantial funding for this interchange and its connecting roadways.

---

In summary, the I-10/Kortsen Road Traffic Interchange project will result in significant progress towards meeting local, regional and national goals for advancing economic progress sustainably and equitably. We highly recommend this grant application for your approval. If I can provide further assistance in support of the application, please contact me at [mpowell@eloyaz.gov](mailto:mpowell@eloyaz.gov) or 520.466.3161.

Sincerely,

Micah Powell, Chairman  
Sun Corridor MPO Executive Board  
City of Eloy, Mayor

**MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD

**FROM:** Irene Higgs, Sun Corridor MPO Executive Director

**DATE:** March 8, 2022

**SUBJECT:** Discussion and Possible Action to advertise the 2022 Spring Air Quality Conformity project list and Conformity Analysis for 30-day public review and comment period

The 1990 Federal Clean Air Act requires that regional transportation plans and programs be in conformance with all applicable air quality plans. To comply with this requirement, an air quality conformity analysis of the FY2020-2029 Transportation Improvement Program and Regional Transportation Plan 2040 Update needs to be completed.

All Sun Corridor MPO member agencies have been consulted regarding projects to be incorporated into the draft Air Quality project list, including locally and privately funded projects.

The 30-day public review and comment period is tentatively scheduled for May 3, 2022 through June 2, 2022.

Sun Corridor MPO staff recommends approval to advertise the 2022 Air Quality Conformity project list and Conformity Analysis for 30-day public review and comment period.
