

EXECUTIVE BOARD MEETING AGENDA

DATE:	June 14, 2022	TIME:	10:00 A.M.
PLACE:	Call in Number - 1-408-418-9388 Access Code – 24555467#		
CONTACT:	Irene Higgs 520-705-5143		
Executive Board Members			
Chairman	Micah Powell, Mayor Eloy	Member	Steve Miller, Pinal County Supervisor
Vice Chair	Craig McFarland, Mayor Casa Grande	Member	ADOT District 4 Rep - Vacant
Sec/Treas	Jon Thompson, Mayor Coolidge		
One or More Board Members May Attend Telephonically			
<i>The Sun Corridor MPO Executive Board may vote to hold an Executive Session for the purposes of obtaining legal advice from the Attorney on any matter listed on the agenda under A.R.S §38-431.03(A)(3)</i>			
ITEM	MEETING AGENDA	PRESENTER	PAGE
1	Call to Order and Introductions	Mayor Micah Powell	
2	Title VI - Notice to the Public	Irene Higgs	
3	Call to the Public: This item is to provide an opportunity for citizens wishing to address the Executive Board on issues within the jurisdiction of the Sun Corridor MPO planning area that are not on the Agenda. Comments SHALL be limited to three (3) minutes or less.	Mayor Micah Powell	
4	<p style="text-align: center;">Consent Agenda</p> <p>ALL ITEMS LISTED BELOW WITH AN ASTERISK (*) ARE CONSIDERED TO BE ROUTINE MATTERS AND WILL BE ENACTED BY ONE MOTION AND ONE VOTE OF THE BOARD. THERE WILL BE NO SEPARATE DISCUSSION OF THESE ITEMS UNLESS A BOARD MEMBER OR MEMBER OF THE PUBLIC SO REQUESTS, IN WHICH EVENT THE ITEM WILL BE REMOVED FROM THE CONSENT AGENDA AND CONSIDERED IN ITS NORMAL SEQUENCE ON THE AGENDA.</p> <p style="text-align: center;">Business: Possible Discussion and/or Action on the Following:</p>	Mayor Micah Powell	
*4.A	Discussion and Possible Action to Approve the New Finding of Conformity for the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program and the Regional Transportation Plan 2040 Update		1 - 10
*4.B	Discussion and Possible Action to Approve Amendment #16 to the FY2020 - 2029 Sun Corridor MPO Transportation Improvement Program and Regional Transportation Plan 2040 Update, contingent on the new finding of conformity.		11 - 21
5	Discussion and Possible Action to Temporarily Appoint Rod Lane, District Engineer, Southcentral District, to fill the Vacancy of Steve Stratton, Arizona State Transportation Board Representative (District 4)	Irene Higgs	22
6	Next SCMPPO Executive Board Meeting Dates: July 12, 2022 , City of Eloy – Council Chambers, 595 N C Street, Eloy, AZ 85131 Executive Session 9:00 Regular Meeting 10:00	Mayor Micah Powell	
7	Adjourn	Mayor Micah Powell	

Pursuant to Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA), and other nondiscrimination laws and authorities, the Sun Corridor Metropolitan Planning Organization (SCMPO) does not discriminate on the basis of race, color, national origin, sex, age, or disability. Persons that require a reasonable accommodation based on language or disability should contact Irene Higgs, SCMPO's Title VI Coordinator at ihiggs@scmpo.org or (520)705-5143. Requests should be made at least 48 hours prior to the meeting so that accommodations may be arranged.

En conformidad con el Título VI del Decreto de los Derechos Civiles de 1964, el Decreto de Americanos con Discapacidades (ADA por sus siglas en inglés), y otras leyes y autoridades contra la discriminación, la organización de planificación metropolitana Sun Corridor Metropolitan Planning Organization (SCMPO por sus siglas en inglés) no discrimina basándose en raza, color, origen nacional, género/sexo, edad o discapacidad. Las personas que requieran una adaptación razonable basada en idioma o discapacidad se deben comunicar con Irene Higgs, Coordinadora del Título VI de SCMPO en ihiggs@scmpo.org ó llamando al (520)705-5143. Las solicitudes se deben hacer por lo menos 48 horas antes de la reunión para que se puedan organizar las adaptaciones.

In an effort to determine who attends our meetings and to improve participation in the planning process, the SCMPO ask that you please fill out the following voluntary survey:

Survey - English <https://forms.gle/M2grgU4HQTcc2v9QA>

En un esfuerzo por determinar quién asiste a nuestras reuniones y a fin de mejorar la participación en el proceso de planificación, la organización SCMPO le pide que por favor llene la siguiente encuesta voluntaria:

Survey - Spanish <https://forms.gle/NLaJxW25RU6bSsQ19>

MEMO TO: SUN CORRIDOR MPO EXECUTIVE BOARD
FROM: Irene Higgs, Sun Corridor MPO Executive Director
DATE: June 14, 2022
SUBJECT: Discussion and Possible Action to Approve the New Finding of Conformity for the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program and the Regional Transportation Plan 2040 Update.

On May 03, 2022, Sun Corridor MPO staff sent out the Consultation on the Conformity Assessment for a Proposed Amendment to the FY 2020–2029 Sun Corridor MPO Transportation Improvement Program (TIP) and Regional Transportation Plan 2040 Update (RTP) for public review. The amendment includes several projects, including Right of Way Acquisition, traffic interchanges and paving projects. The proposed Amendment requires a new conformity determination on the FY 2020–2029 TIP and RTP 2040 Update. The project modifications impact the modeling assumptions used in the most recent conformity analysis and a new regional emissions analysis for the Pinal County PM-10 and PM–2.5 nonattainment areas was conducted. The results of the analysis indicate that the amendment to the TIP and RTP 2040 Update meet the transportation requirements for PM–10 and PM–2.5 for the Pinal County nonattainment areas.

On June 2, 2022, a 30-day agency and public review period ended on the conformity analysis and proposed amendment to the TIP and Regional Transportation Plan 2040 Update. No comments were received.

The Sun Corridor MPO staff recommends the approval of the new Finding of Conformity for the proposed amendment to the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program and the Regional Transportation Plan 2040.

Board Action Requested: Information Only Action Requested Below

A motion to approve of the new Finding of Conformity for the FY 2020-2029 Sun Corridor MPO TIP and the RTP 2040 Update.

ATTACHMENT A

CONSULTATION ON A CONFORMITY ANALYSIS FOR A PROPOSED AMENDMENT TO THE FY 2020-2029 SUN CORRIDOR METROPOLITAN PLANNING ORGANIZATION TRANSPORTATION IMPROVEMENT PROGRAM AND REGIONAL TRANSPORTATION PLAN 2040 UPDATE

The Sun Corridor Metropolitan Planning Organization is conducting consultation on a conformity analysis for an amendment to the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program (TIP) and the Sun Corridor MPO Regional Transportation Plan (RTP) 2040 Update. The conformity analysis indicates that the proposed amendment to the TIP and RTP Update satisfies the criteria specified in the federal transportation conformity rule for a conformity determination. A finding of conformity is therefore supported.

The federal conformity regulations at 40 CFR Parts 51 and 93 specify the criteria and procedures for conformity determinations for transportation plans, programs, and projects and their respective amendments. Under the federal transportation conformity rule, the principal criteria for a determination of conformity for transportation plans and programs are: (1) the TIP and Regional Transportation Plan must pass an emissions budget test with a budget that has been found to be adequate or approved by the U.S. Environmental Protection Agency (EPA) for transportation conformity purposes, or an interim emissions test; (2) the latest planning assumptions and emissions models specified for use in air quality implementation plans must be employed; (3) the TIP and Regional Transportation Plan must provide for the timely implementation of transportation control measures (TCMs) specified in the applicable air quality implementation plans; and (4) consultation.

The current conformity determination for the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program and Sun Corridor MPO Regional Transportation Plan 2040 Update for the Pinal County PM-10 and PM-2.5 nonattainment areas was made by the Federal Highway Administration and Federal Transit Administration on December 15, 2021. The results of the regional emissions analysis for the Pinal County PM-10 and PM-2.5 nonattainment areas for the proposed amendment to the Sun Corridor MPO TIP and RTP 2040 Update are described below and in Table 1.

Pinal County Nonattainment Areas Regional Emissions Analysis

For the Pinal County PM-10 and PM-2.5 nonattainment areas, there are no adequate or approved motor vehicle emissions budgets for conformity. Therefore, the conformity interim emissions tests were applied.

In selecting analysis years for the interim emissions tests, the transportation conformity rule indicates that the years must be no more than ten years apart, the first year must be no more than five years beyond the year in which the conformity determination is being made, and the last year must be aligned with the transportation plan. The analysis year 2025 is modeled since it meets the requirement that the first year must be no more than five years beyond the year in which the conformity determination is being made. The analysis year 2030 is an intermediate year that meets the federal conformity requirement that analysis years be no more than ten years apart. The analysis year 2040 is the horizon year for the Sun Corridor MPO Regional Transportation Plan 2040 Update and the analysis year 2050 is the horizon year for the MOMENTUM 2050 MAG Regional Transportation Plan. Therefore, the action and baseline tests were conducted for PM-10 for the West Pinal PM-10 Nonattainment Area and for PM-2.5 and NO_x for the West Central Pinal PM-2.5 Nonattainment Area for the analysis years of 2025, 2030, 2040, and 2050. For each test, the required emissions estimates were developed using the transportation and emission modeling approaches required under the federal transportation conformity rule.

The Maricopa Association of Governments and the Sun Corridor Metropolitan Planning Organization have coordinated on this amendment for inputs to the transportation model and on the required interagency consultation on the conformity analysis. Both the MAG Metropolitan Planning Area Boundary and the Sun Corridor Metropolitan Planning Area Boundary include portions of the West Pinal PM-10 Nonattainment Area and West Central Pinal PM-2.5 Nonattainment Area. Both nonattainment areas are covered by the boundaries of the two metropolitan planning organizations. Consequently, transportation conformity is required to be demonstrated for both nonattainment areas by both metropolitan planning organizations.

For PM-10, the projected emissions for the action scenario are not greater than the projected emissions for the baseline scenario for each of the years analyzed: 2025, 2030, 2040, and 2050. Since the PM-10 emissions predicted for the action scenarios are not greater than the PM-10 emissions predicted for the baseline scenarios, the conformity interim emission test is satisfied. It is also reasonable to expect the action emissions would not exceed the baseline emissions for the time periods between the analysis years.

For PM-2.5, the projected emissions for the action scenario are not greater than the projected emissions for the baseline scenario for each of the years analyzed: 2025, 2030, 2040, and 2050. Since the PM-2.5 emissions predicted for the action scenarios are not greater than the PM-2.5 emissions predicted for the baseline scenarios, the conformity interim emission test is satisfied. It is also reasonable to expect the action emissions would not exceed the baseline emissions for the time periods between the analysis years.

For NO_x, the projected emissions for the action scenario are not greater than the projected emissions for the baseline scenario for each of the years analyzed: 2025, 2030,

2040, and 2050. Since the NOx emissions predicted for the action scenarios are not greater than the NOx emissions predicted for the baseline scenarios, the conformity interim emission test is satisfied. It is also reasonable to expect the action emissions would not exceed the baseline emissions for the time periods between the analysis years.

Latest Planning Assumptions and Emissions Models

In accordance with federal transportation conformity requirements, the latest planning assumptions and emissions models specified for use in air quality implementation plans were employed for this conformity determination. The latest planning assumptions used for this conformity determination are consistent with the 2021 MAG Conformity Analysis for the FY 2022-2025 MAG Transportation Improvement Program and MOMENTUM 2050 Regional Transportation Plan and the Sun Corridor Metropolitan Planning Organization 2021 Conformity Analysis.

Through the consultation process, it was determined that the “time that the conformity analysis begins” will be the day that the first traffic assignment is submitted for travel demand modeling. All analyses were conducted using the latest planning assumptions and emissions models in force at the time the conformity analysis began on March 29, 2022. A summary of the latest planning assumptions, including population, employment, and vehicle registrations data used in the regional emissions analysis, is provided in Table 2.

Timely Implementation of Transportation Control Measures

A status report on Transportation Control Measures (TCMs) is not required since there are no applicable plans for the West Pinal PM-10 Nonattainment Area and West Central Pinal PM-2.5 Nonattainment Area that contain TCMs. On December 21, 2015, the 2015 West Pinal Moderate PM-10 Nonattainment Area State Implementation Plan (SIP) prepared by the Arizona Department of Environmental Quality (ADEQ) was submitted to EPA. Also, on May 1, 2017, EPA approved SIP revisions that concern particulate matter emissions from construction sites, agricultural activity, and other fugitive dust sources, effective May 31, 2017. On May 17, 2021, ADEQ withdrew the 2015 West Pinal Moderate PM-10 Nonattainment Area SIP submission.

Consultation

In accordance with federal and state rules, the Sun Corridor MPO is required to provide reasonable opportunity for consultation with state air and transportation agencies, local agencies, U.S. Department of Transportation, Environmental Protection Agency, and other interested parties. A 30-day consultation period is being provided on the conformity analysis and the amendment to the FY 2020-2029 Sun Corridor MPO Transportation

Improvement Program and Sun Corridor MPO Regional Transportation Plan 2040 Update. Consultation is concluded by notifying the agencies and other interested parties of any approval action taken by the Sun Corridor MPO Executive Board and any comments received during the period of consultation.

TABLE 2. LATEST PLANNING ASSUMPTIONS FOR MAG CONFORMITY DETERMINATIONS
FOR THE MAG TRANSPORTATION MODELING DOMAIN COVERING MARICOPA AND PINAL COUNTIES

Assumption	Source	MAG Models	Next Scheduled Update
Population and Employment	<p>Under the Governor’s Executive Order 2011-04, official County projections are updated every 3 to 4 years. These official projections are used by all agencies for planning purposes. The Arizona Department of Administration (ADOA) prepared a new set of Maricopa County projections based on the U. S. Census Bureau’s 2013-2017 American Community Survey data and employment projections prepared by Dr. George Hammond at the University of Arizona’s Economic and Business Research Center in December 2018. MAG developed a set of subcounty population and employment projections for Maricopa County that are consistent with the ADOA population projections. The MAG Regional Council approved the subcounty socioeconomic projections in June 2019. In addition, Central Arizona Governments (CAG) approved the Pinal County subcounty socioeconomic projections, based on the ADOA Pinal County projections, in September 2019. The MAG Traffic Analysis Zone System was updated and expanded to reflect the latest socioeconomic changes in 2019.</p>	AZ-SMART (UrbanSim)	<p>Under the Governor’s Executive Order 2011-04, official county socioeconomic projections will be developed by the Arizona Department of Administration. Following the release of the 2020 U.S. Census data, the Arizona Department of Administration (ADOA) will prepare a new set of Maricopa County projections in December 2022. MAG will develop a set of subcounty population and employment projections for Maricopa County that are consistent with the ADOA population projections.</p>
Traffic Counts	<p>The highway models were validated for the 2018 base year, based on traffic count data from approximately 1,000 traffic count locations, collected by MAG in 2018-2019 during peak seasons.</p>	MAG Travel Demand Models	<p>Region-wide traffic counts are typically collected by MAG every 2-4 years, depending on available funds and model base year definition. MAG has completed 2018-2019 regional traffic counts.</p>

TABLE 2 (CONTINUED). LATEST PLANNING ASSUMPTIONS FOR MAG CONFORMITY DETERMINATIONS FOR THE MAG TRANSPORTATION MODELING DOMAIN COVERING MARICOPA AND PINAL COUNTIES

Assumption	Source	MAG Models	Next Scheduled Update
<p>Vehicle Miles of Travel</p>	<p>MAG has transitioned to an Activity Based Model based on the Coordinated Travel Regional Activity Based Modeling Platform (CT-RAMP2) family of Activity Based Models for travel demand forecasting. The calibration work for the major components of the Activity Based Model has been completed. Datasets used in the model calibration process include 2017 Household and Establishment surveys and the 2019 transit on-board survey. In addition, 2013-2017 ACS PUMS and MAG socioeconomic data are also used to generate a synthetic population which is input to the Activity Based Model.</p> <p>Activity Based Model components such as long-term choice for mandatory activity (work and school) location models, day-level models for activity participation, tour formation, and other tour and trip detail models such as time-of-day choice and mode choice were recalibrated based on the 2017 Household Travel Survey and the 2019 transit on-board survey. The truck model was recalibrated based on the 2017 ATRI data, 2015 StreetLight data and 2013 Transearch data. The external travel model was recalibrated in 2014 based on regional growth projections for Arizona and neighboring states.</p> <p>Incremental updates and improvements were introduced to the model to reflect network changes, socioeconomic forecast changes, and changes in the traffic zone system.</p> <p>MAG conducted a comprehensive revalidation of the Activity Based Model using 2018-2019 traffic counts and 2018 speed data. The overall calibration year for the model is 2018 and</p>	<p>MAG Travel Demand Models</p>	<p>Future updates to the Activity Based Model will include further refinements/updates to various sub-models.</p>

TABLE 2 (CONTINUED). LATEST PLANNING ASSUMPTIONS FOR MAG CONFORMITY DETERMINATIONS FOR THE MAG TRANSPORTATION MODELING DOMAIN COVERING MARICOPA AND PINAL COUNTIES

Assumption	Source	MAG Models	Next Scheduled Update
	the latest base year based on a comprehensive validation is 2018.		
Speeds	The highway models were validated using peak season average speed based on 50 million traffic speed records purchased from HERE for calendar year 2018 and also compared to a similar data set purchased in the same year.	MAG Travel Demand Models	Commercial travel speed data are acquired by MAG periodically to validate the transportation models. MAG also utilizes commercial speed data for future estimation and model calibration purposes. MAG has acquired new speed data required for the ongoing model calibration and validation to the new base year processes. MAG has also collaborated with ADOT and capitalized on ADOT commercial speed data contracts.
Vehicle Registrations	July 2019 vehicle registrations were provided by ADOT.	MOVES3	When newer data become available from ADOT.
Implementation Measures	Latest implementation status of commitments in prior SIPs.	N/A	Updated for every conformity analysis.

MEMO TO: SUN CORRIDOR MPO EXECUTIVE BOARD
FROM: Irene Higgs, Sun Corridor MPO Executive Director
DATE: June 14, 2022
SUBJECT: Discussion and Possible Action to Approve Amendment #16 to the FY2020 - 2029 Sun Corridor MPO Transportation Improvement Program and Regional Transportation Plan 2040 Update, contingent on the new finding of conformity.

The following amendments and administrative modifications to the FY 2020- 2029 Sun Corridor MPO Transportation Improvement Program (TIP) and to the Regional Transportation Plan 2040 Update (RTP) are being proposed, contingent on the new finding of conformity.

The amendment includes several projects, including Right of Way Acquisition, traffic interchanges and paving projects. The proposed Amendment requires a new conformity determination on the FY 2020–2029 TIP and RTP 2040 Update. Project changes are indicated in red on the FY 2020–2029 Sun Corridor MPO Transportation Improvement Program.

The Sun Corridor MPO staff recommends the approval of the amendments and administrative modifications to the FY 2020-2029 Sun Corridor MPO Transportation Improvement Program and as appropriate, to the Regional Transportation Plan 2040 Update, contingent on the new finding of conformity.

Subject: Temporary Appointment - SCMPO Executive Board, State Transportation Board Member Representation

Dear Ms. Higgs:

Please accept this letter as a request to temporarily appoint Rod Lane, District Engineer, Southcentral District, to fill the vacancy on the Sun Corridor MPO Executive Board left by Steve Stratton, Arizona State Transportation Board representative (District 4) completing his appointed term on January 11, 2022. Let me know if you need any additional information. I can be reached at (602) 712-4259.

Sincerely,

Floyd Roehrich, Jr, PE
Executive Officer

cc: Rod Lane, ADOT
