19

## Spatial Gap Analysis: Service Intensity

❑ Service Intensity was established based on the number of mobility providers in operation.

❑ Communities with fixed-route service generally had higher Service Intensity.

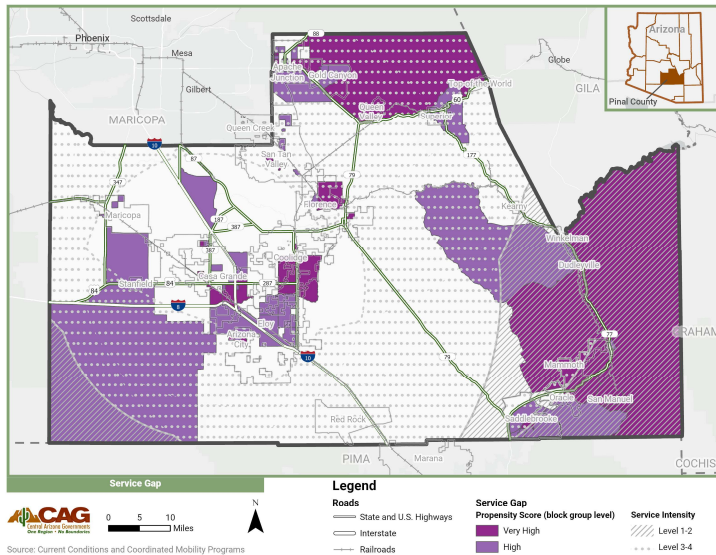

❑ Five communities have high population but low Service Intensity:

- San Tan Valley
- Queen Creek
- Apache Junction
- Saddlebrooke
- Gold Canyon

AECOM

20

## Service Gaps

□ Areas that would benefit from enhanced service include:

- Apache Junction (population: 41,240)
- San Tan Valley (population: 101,207)
- Gold Canyon (population: 11,565)
- Queen Valley (population: 746)
- Superior (population: 2,639)
- Saddlebrooke (population: 12,014)
- San Manuel (population: 3,535)
- Oracle (population: 3,146)
- Mammoth (population: 1,014)

## Subregion Recommendations

26

## Subregion Recommendations: Overview

- ❑ Divide Pinal County into manageable geographies to support and facilitate improvements.
- ❑ Mobility subregions are proposed here to organize and identify recommendations relevant to diverse communities.
- ❑ Subregions were developed using:
  - Population centers
  - Existing transit providers
  - Subregion size
  - Distribution of seniors and people with disabilities

27

AECOM

27

## Overarching Recommendations

### Shared Recommendations

- ❑ Taxicab/shared ride voucher or reimbursement program
- ❑ Expand existing volunteer driver program
- ❑ Purchase or replace ADA-compliant vehicles that have met their useful life
- ❑ Provide additional resources to help providers apply for funding, meet federal requirements, and market their services
- ❑ Improve customer service through shorter reservation windows and a language line
- ❑ Provide service to Social Security offices, medical facilities, and other essential services
- ❑ Launch a CAG or Pinal County website with resources and providers' contact information (<https://azrideinfo.com/>)

**Senior Transportation Program**

MAKING A DIFFERENCE.

Senior Transportation is a program of HandsOn Tempe. Transportation is provided by volunteers to take senior citizens, with no other means of transportation to the doctor, grocery store, and other necessary errands.

**Want To Be A Driver?**

There is a very simple Driver Application form that needs to be completed to drive, along with a copy of your driver's license and motor vehicle insurance. Once you are enrolled in the Volunteer Driver program, we will contact you when there is a client in need of a ride. You can volunteer as much or as little as you like!

**Need A Ride?**

To sign up for the program contact Tera Savage at 903-798-3271. You will be required to complete a simple Client Application form to officially be enrolled. Yes, it's that easy!

**How It Works**

Clients call HandsOn Tempe to arrange for transportation. Volunteer drivers are then contacted and given details. You will be picked up from your home by a volunteer driver and driven to and from your appointment. You must give at least 2 days notice in advance to qualify for a ride. There is no charge for this service.

**Why Volunteer?**

- Help Elderly
- Socialization
- Employment
- Experience
- Self Esteem
- Community Involvement

To volunteer or support through donations, please contact 903-798-3271 or scan this QR code:

## North Subregion

### Recommendations

- ❑ New microtransit service that could be led by a City/Town, MPO, Pinal County, or an existing provider
- ❑ Coordination with MAG and Valley Metro to identify transfer points between Pinal County providers and Maricopa County service
- ❑ MAG Planning Area mobility study for communities like Queen Creek (study currently underway)

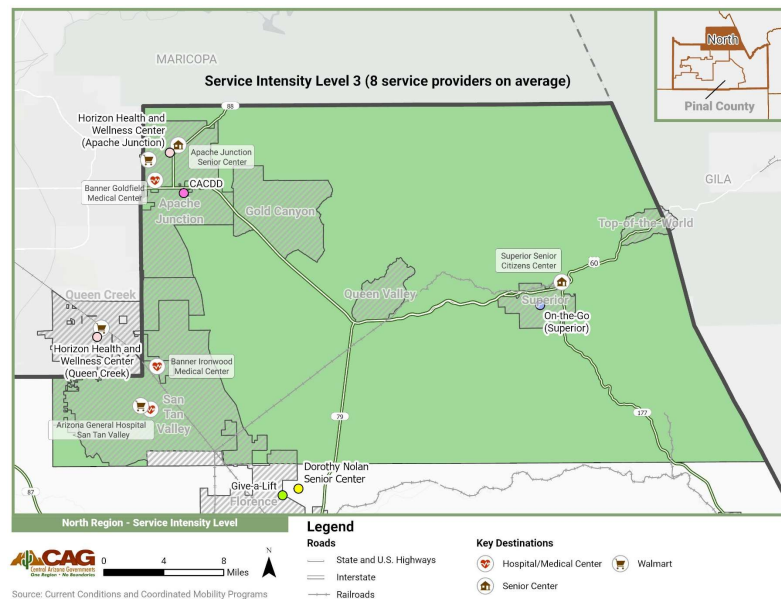

29

## North Subregion

### Recommendations (cont.)

- ❑ Private company partnerships (TNCs or software vendors) to fill service gaps
- ❑ Expand span of service for current providers such as On-the-Go Express beyond 4:00 PM and weekday-only service
- ❑ Expand mobility providers' eligibility to serve more people
- ❑ Pursue new funding for service expansion or pilot programs

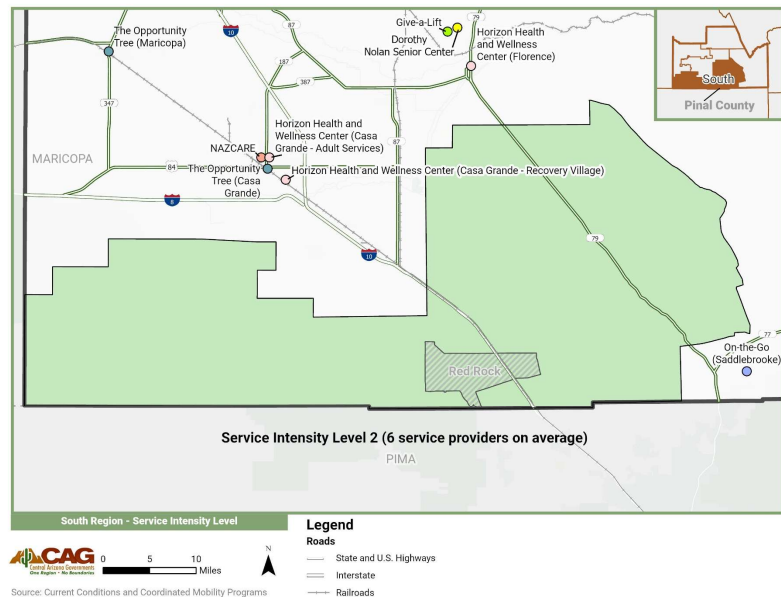

30

## South Subregion

### Recommendations

- ❑ Coordination with Sun Tran (Tucson) to identify transfer points between Pinal County providers and the Sun Tran system
- ❑ Coordination with PAG to understand cross-county trip demand

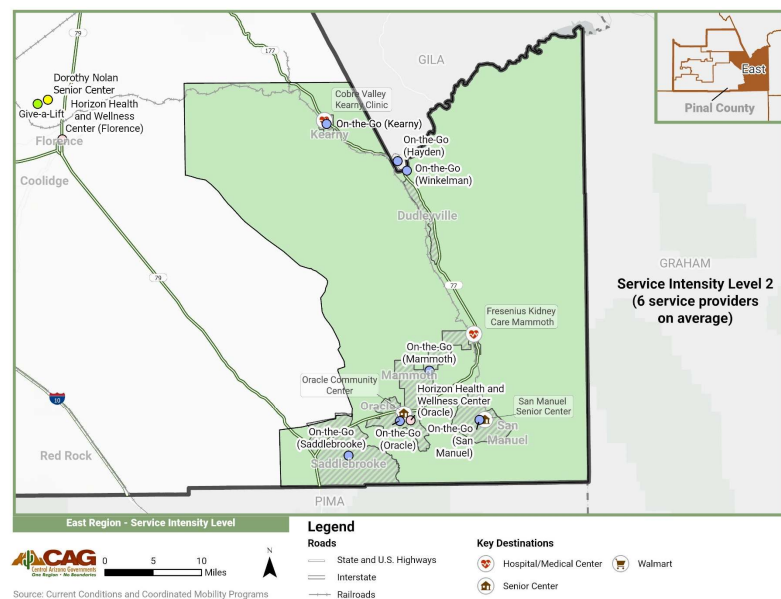

31

## East Subregion

### Recommendations

- ❑ Private company partnerships (TNCs or software vendors) to fill service gaps
- ❑ Expand span of service for current providers such as On-the-Go Express beyond 4:00 PM and weekday-only service
- ❑ Gila-Pinal Rides Coordination Committee coordination to understand cross-county trip demand

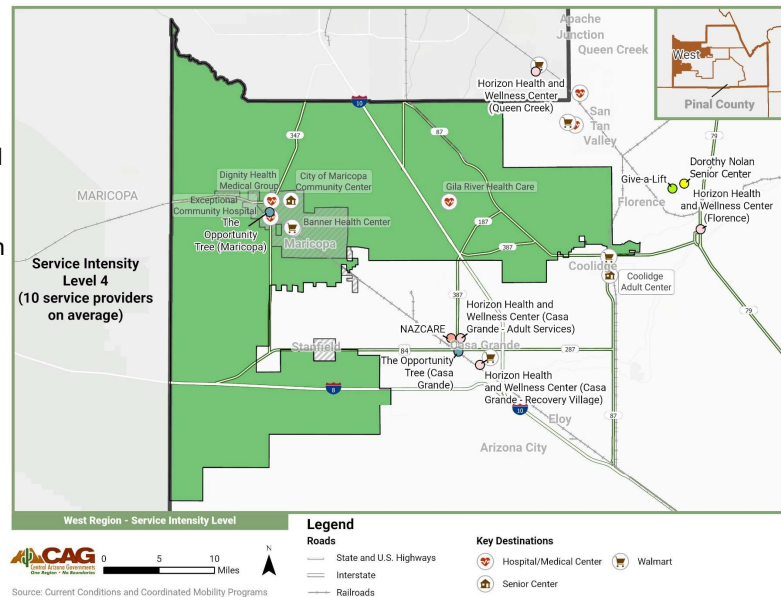

32

## West Subregion

### Recommendations

- ❑ Coordination with MAG and Valley Metro to identify transfer points between Pinal County providers and Maricopa County service
- ❑ MAG Planning Area mobility study in communities like Maricopa (upcoming)
- ❑ Coordinate transfers between 5310 providers and public transit operators

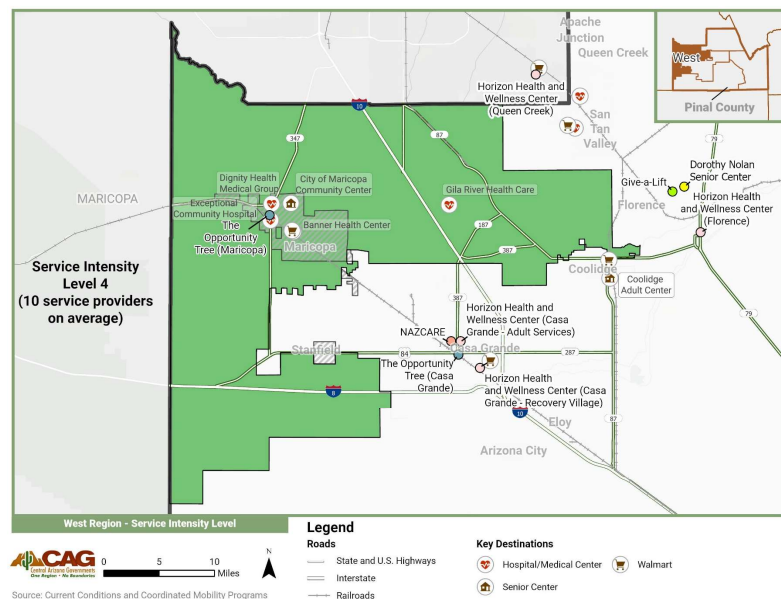

33

## West Subregion

### Recommendations (cont.)

- ❑ Private company partnerships (TNCs or software vendors) to fill service gaps
- ❑ Expand span of service for current providers
- ❑ Pursue funding for expansion or pilot programs

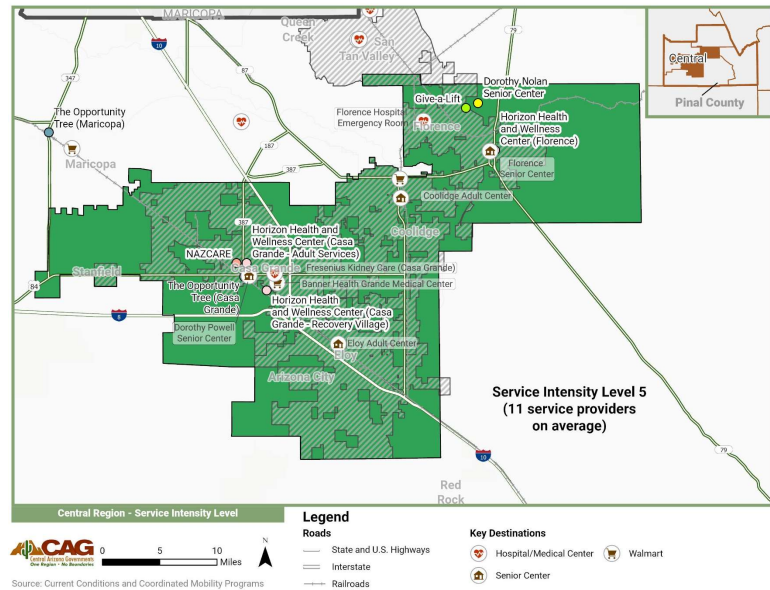

34

## Central Subregion

### Recommendations

- ❑ Expand microtransit like CG Link
- ❑ Expand existing span of service of current providers
- ❑ Evaluate Cotton Express expansion and new service in Eloy
- ❑ Support Give-A-Lift expansion
- ❑ Procure a software platform to improve scheduling efficiencies and broker trips across multiple providers
- ❑ Coordinate transfers between 5310 providers and public transit operators

35

## Financial Gap Analysis

36

## Financial Gap Analysis: Overview

### Purpose

- ☐ Understand funding gaps in existing funding sources and identify new funding sources.
- ☐ Understand and provide estimated cost of providing coordinated mobility services.

### Approach

- ☐ Utilizing the results of Spatial Gap Analysis and Subregion Recommendation tasks, provide cost estimates per subregion for each service recommendation.
  - Provide unit-based costs based on industry knowledge and peer agencies (NTD data).
- ☐ Identify potential funding sources and/or other alternative resources for the service recommendations.

# Prioritization

41

## Prioritization and Action Items

- ☐ Prioritized the subregion recommendations based on feasibility and ease
- ☐ Short-term
  - Coordination and planning level recommendations
  - Implemented through the existing Mobility Management budget
  - Addition of Section 5305 transit planning funds
- ☐ Medium-term
  - Pursuing additional funding
  - Expanding upon existing services
- ☐ Long-term
  - Starting new services

## Priority Items to Close the Funding Gap

- 1 ☐ Utilize the informational and marketing resources produced through this study  
☐ Distribute resource list and individual marketing one-pagers
- 2 ☐ Focus on coordination efforts to discuss priorities for your jurisdiction  
☐ Participate in funding-level conversations at COG and MPO
- 3 ☐ Coordination with agencies for initiating planning studies  
☐ Apply for ADOT Section 5305 for specific planning level studies
- 4 ☐ Begin conversations with SCMPO and transit providers to discuss a pilot program through a private company partnership  
☐ Define leadership, roles and responsibilities and pilot goals
- 5 ☐ Actively participate in the Pinal RTA discussion regarding a region-wide transportation tax.  
☐ CAG to advocate for the revenues to be used to fund existing and new transit services.

<p>Project Status:</p>	<p>This project was awarded funding via the ADOT Transportation Alternatives Program. The Consultant Selection Panel met on October 24, 2024 and selected Kimley-Horn. The Professional Services Agreement (PSA) is being reviewed by the Sun Corridor MPO attorney. The Professional Services Agreement is expected to be sent to the Consultant this week. (11.12.2024)</p> <p>The Professional Services Agreement (PSA) and Notice to Proceed (NTP) were executed on December 9, 2024. The project kick-off meeting took place on December 17, 2024; Sun Corridor MPO and City staff attended. The study Consultant is working on the revised Project Management Plan (PMP), Public Involvement Plan (PIP), and the Limited English Proficiency (LEP) Four Factor Analysis. School traffic count collection is expected to start at the beginning of February 2025. The first Technical Advisory Committee (TAC) Meeting is scheduled for February 4, 2025, at 9:00 am in Coolidge. (01.14.2025)</p> <p>The project kick-off meeting took place on December 17, 2024; Sun Corridor MPO and City staff attended. The first Technical Advisory Committee (TAC) Meeting took place February 4, 2025. Discussed Roles and Responsibilities. Reviewed and modified data collection locations at each school. Reviewed the student and parent surveys. The study Consultant has completed the Project Management Plan (PMP), Public Involvement Plan (PIP), and the Limited English Proficiency (LEP) Four Factor Analysis. School observations for all Coolidge schools took place on March 4th and 5th. Schools have begun to send out the link for the Parent Survey and Public Coordinate mapping tool. We've received 15 survey responses and quite a few comments on the mapping tool. (03.11.2025)</p> <p>School observations for all Coolidge schools were completed on March 4th and 5th. The consultant is compiling all data collection results with the Existing Conditions Report due at the end of May 2025. A study stakeholder meeting took place on April 23rd where the data collection efforts were summarized and presented to the group. The study team will be attending the Coolidge Public Library Titans event on May 29th to conduct public outreach. The event is for all school age children. (04.18.2025)</p> <p>The study team conducted public outreach on May 1st at the Kenilworth Sports Center during little league and will be attending the Summer Learning Activity Block Party on May 29th at the Coolidge Library. The consultant has completed the Existing Conditions Memo which is currently under review by the study team. A study Stakeholder Meeting is scheduled for July 10th. The consultant is currently working on recommendations to improve walking and biking for each school in Coolidge. (06.24.2025)</p> <p>The draft Final Safe Routes to School study was sent to the Project Management team for review and comments; the document was then sent to the study stakeholder group with comments due August 22. **MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD

**FROM:** Irene Higgs, Sun Corridor MPO Executive Director

**DATE:** September 9, 2025

**SUBJECT:** 12.4 Discussion of the Current Update of the Sun Corridor MPO Activities (Information Only):

### **Status of SCMPO Engineering Program**

- We are preparing the Request for Qualifications (RFQ) for Professional Engineering Services. We are hopeful to have the RFQ out by October for solicitation and have a contract in place to begin services by the end of the year. We met with several interested Consultants to provide information on the engineering/scoping program. We will be seeking TAC members to participate in the selection committee.
- **Highway Safety Improvement Program (HSIP)** – Call for projects anticipated to be Fall 2026. This will give us time to review crash data & eligible projects
- **Transit Planning Funds (5305, 5307, 5339)** Call for projects anticipated to be early September 2025. Sun Corridor can submit 3 applications. We intend to submit 1 application for the City of Eloy for a Transit Feasibility Study Update from 2019. 20% match required.
- **Transportation Alternative Funding** – award letters should be coming out this week for FY26 funding. The 2026 awards will be for Eloy's Safe Routes to School Study and Eloy's final design/construction sidewalk project on Battaglia Road. The tentatively funded, but not awarded projects for 2027 are Casa Grande's design of West Viola Street and Coolidge's final design/construction of a Regional Park Walking Trail. A call for projects is anticipated later this year for remaining 2027 funding, which is approximately \$2M. 2028 tentatively includes Eloy's final design/construction of the sidewalk project on Battaglia Road. The remaining 2028 available funding is approximately \$14M.
- **Bridge Funding** – anticipated call for projects is October 2025. The applications will be due in December and award notification is scheduled to be at the end of February. There are 2 types of funding. Surface Transportation Block Grant (STBG) funding, which requires a 5.7% match. This funding is eligible for scoping the project. The 2nd type of funding is the Bridge Formula Program (BFP) funding, which is 100% covered (scoping is not eligible). ADOT has allocated \$3.9M of STBG funding and a minimum of \$6.7M of BFP funding.

 Attn: Secretary Sean Duffy

Dear Secretary Sean Duffy,

The Sun Corridor Metropolitan Planning Organization (MPO) is pleased to support the City of Casa Grande's application for the FY2025 Safe Streets and Roads for All (SS4A) Implementation Grant for their proposed ***Systemic Intersection and Rail Crossing Safety Enhancements*** project. The project will create safer railroad crossings and intersections by lowering crash frequency and severity, improving visibility and decision-making, increasing control device visibility, and driver certainty.

This project includes safety improvements at the following locations along the Union Pacific railroad in Casa Grande:

- Ethington Road
- Thornton Road
- Sacaton Street
- Florence Street
- Hermosilla Street
- Trekell Road
- Sunland Gin Road

The proposed scope includes high-impact countermeasures such as railroad crossing closures, railroad crossing enhancements, the addition of curbing and sidewalks, traffic signal installation, and the addition of turn lanes and medians where applicable. The proposed improvements are consistent with ADOT and Sun Corridor MPO's commitment to reducing fatal and serious injury crashes on Arizona's transportation network.

Sun Corridor MPO recognizes the need for these safety improvements that align with the recently completed Pinal County Strategic Transportation Safety Plan (Adopted March 11, 2025) which meets all the requirements for a SS4A Action Plan. These safety improvements also adhere to the Arizona Strategic Highway Safety Plan (SHSP) goals to improve system wide safety for all users.

This project is currently listed in the illustrative section of the Sun Corridor MPO Transportation Improvement Program (TIP). If awarded, the project will be moved to the fiscally constrained portion of the TIP.

Sun Corridor MPO respectfully asks that the US Department of Transportation favorably consider this project in the City of Casa Grande for a 2025 SS4A award to support a safer transportation network within the region.

Sincerely,

Irene Higgs, Executive Director  
Sun Corridor Metropolitan Planning Organization

Dear Secretary Sean Duffy,

The Sun Corridor Metropolitan Planning Organization (MPO) is pleased to support the City of Coolidge's application for the FY2025 Safe Streets and Roads for All (SS4A) Implementation Grant for their proposed **Systemic Intersection and Corridor Safety Enhancements** project. The project will create a safer transportation system by lowering crash frequency and severity, improving visibility and decision-making, increasing control device visibility and driver certainty, and discouraging unlawful speeds.

This project includes safety improvements at the following locations:

- SR 287 and Martin Road
- Arizona Boulevard (SR 287) and Vah Ki Inn Road
- SR 87 at Bartlett Road and at Wilshire Avenue
- SR 287, from W Vah Ki Inn Road to SR 87

The proposed scope includes low-cost, high-impact countermeasures such as retroreflective signal backplates, speed feedback signs, intersection lighting, dedicated turn lanes, and improved vehicle-pedestrian separation and roadway drainage. The proposed improvements are consistent with ADOT and Sun Corridor MPO's commitment to reducing fatal and serious injury crashes on Arizona's transportation network.

Sun Corridor MPO recognizes the need for these safety improvements that align with the recently completed Pinal County Strategic Transportation Safety Plan (Adopted March 11, 2025) which meets all the requirements for a SS4A Action Plan. These safety improvements also adhere to the Arizona Strategic Highway Safety Plan (SHSP) goals to improve system wide safety for all users.

This project is currently listed in the illustrative section of the Sun Corridor MPO Transportation Improvement Program (TIP). If awarded, the project will be moved to the fiscally constrained portion of the TIP.

Sun Corridor MPO respectfully asks that the US Department of Transportation favorably consider this project in the City of Coolidge for a 2025 SS4A award to support a safer transportation network within the region.

Sincerely,

Dear Secretary Sean Duffy,

The Sun Corridor Metropolitan Planning Organization (MPO) is pleased to support the City of Eloy's application for the FY2025 Safe Streets and Roads for All (SS4A) Implementation Grant for their proposed **Systemic Intersection Safety Enhancements** project. The project will create a safer transportation system by lowering crash frequency and severity, improving visibility and decision-making, increasing control device visibility and driver certainty, and discouraging unlawful speeds.

This project includes safety improvements at the following locations:

- Frontier Street (SR 84) & Battaglia Road
- SR 87 & Battaglia Road

The proposed scope includes low-cost, high-impact countermeasures such as flashing LED stop signs, speed feedback signs, intersection lighting, and dedicated turn lanes. The proposed improvements are consistent with ADOT and Sun Corridor MPO's commitment to reducing fatal and serious injury crashes on Arizona's transportation network.

Sun Corridor MPO recognizes the need for these safety improvements that align with the recently completed Pinal County Strategic Transportation Safety Plan (Adopted March 11, 2025) which meets all the requirements for a SS4A Action Plan. Dear Secretary Sean Duffy,

The Sun Corridor Metropolitan Planning Organization (MPO) is pleased to support the Pinal County application for the FY2025 Safe Streets and Roads for All (SS4A) Implementation Grant for their proposed ***Systemic Intersection and Corridor Safety Enhancements*** project. The project will create a safer transportation system for all modes of transportation users by lowering crash frequency and severity, improving visibility and decision-making, reducing conflict points, increasing control device visibility and driver certainty, discouraging unlawful speeds, and enhancing safety for vulnerable users.

This project includes safety improvements at the following locations:

- Bella Vista Road and Gantzel Road
- Quail Run Lane and Bella Vista Road
- Empire Boulevard & Charbray Drive
- American Avenue, From Maplewood Street to Frances Lane
- Peralta Road and Peralta Canyon Drive

The proposed scope includes low-cost, high-impact countermeasures such as speed feedback signs, intersection warning signs, a Rectangular Rapid Flashing Beacon crossing, a traffic signal, lane guideline markings, and dedicated turn lanes. The project also includes completing a Design Concept Report to ensure adequate selection of one intersection's safety countermeasures and their implementation. The proposed improvements are consistent with ADOT and Sun Corridor MPO's commitment to reducing fatal and serious injury crashes on Arizona's transportation network.

Sun Corridor MPO recognizes the need for these safety improvements that align with the recently completed Pinal County Strategic Transportation Safety Plan (Adopted March 11, 2025) which meets all the requirements for a SS4A Action Plan. These safety improvements also adhere to the Arizona Strategic Highway Safety Plan (SHSP) goals to improve system wide safety for all users.

While the safety improvement locations are outside the Sun Corridor MPO planning boundary, the project is currently listed in the illustrative section of the Sun Corridor MPO

Subject: SCMPO Approval for the City of Casa Grande SMART Fund Application

Dear ADOT MPD and Arizona State Transportation Board:

The Sun Corridor Metropolitan Planning Organization is pleased to inform you that we approve the City of Casa Grande's application to the Arizona State Match Advantage for Rural Transportation (SMART) Fund for the City of Casa Grande's Safe Streets and Roads For All (SS4A) Systemic Intersection and Rail Crossing Safety Enhancements project. The project will create safer railroad crossings and intersections by lowering crash frequency and severity, improving visibility and decision-making, increasing control device visibility, and driver certainty. This project demonstrates the initiative taken by the City of Casa Grande to address safety concerns and is an excellent candidate for the AZ SMART fund.

This project includes safety improvements at the following locations along the Union Pacific railroad in Casa Grande:

- Ethington Road
- Thornton Road
- Sacaton Street
- Florence Street
- Hermosilla Street
- Trekell Road
- Sunland Gin Road

The proposed scope includes high-impact countermeasures such as railroad crossing closures, railroad crossing enhancements, the addition of curbing and sidewalks, traffic signal installation, and the addition of turn lanes and medians where applicable. The proposed improvements are consistent with ADOT and Sun Corridor MPO's commitment to reducing fatal and serious injury crashes on Arizona's transportation network.

Funding for reimbursement of a non-federal match through the Arizona SMART Fund will ensure that the City of Casa Grande is able to develop a travel-friendly environment, enabling the region to continue to overcome challenges associated with intersection and railroad crossing safety.

I want to thank you in advance for your consideration of the City of Casa Grande's funding request. It is our hope that you will see the importance of this project in increasing the safety of residents in the Sun Corridor MPO region. If you have any questions or require additional information, please don't hesitate to call me at 520.705.5143.

Sincerely,

Subject: SCMPO Approval for the City of Coolidge SMART Fund Application

Dear ADOT MPD and Arizona State Transportation Board:

The Sun Corridor Metropolitan Planning Organization is pleased to inform you that we approve the City of Coolidge's application to the Arizona State Match Advantage for Rural Transportation (SMART) Fund for the City of Coolidge Safe Streets and Roads For All (SS4A), Safety project. This project demonstrates the initiative taken by the City of Coolidge to address safety concerns and is an excellent candidate for the AZ SMART fund.

The City of Coolidge SS4A Project includes installing a left turn lane on the westbound approach and a traffic signal at the intersection of SR 287 and Martin Road; the current intersection exhibits misalignment when approaching eastbound. To enhance roadway alignment and safety, the construction of a dedicated right-turn lane is recommended as well as installing a traffic signal. The project includes installing reflective signal backplates, protected/permissive left turn signal phasing, and intersection lighting to the intersection of SR 287 and Vah Ki Inn Road; The current signal at Vah Ki Inn & SR87 lacks pedestrian lighting for nighttime crossing, making it difficult for pedestrians to be visible. Additionally, due to increased traffic volume, the installation of a left-turn arrow will help alleviate congestion.

The project includes installing northbound and southbound turn lanes, intersection lighting, and dynamic speed feedback signs at the SR87/Bartlett and SR87/Wilshire intersections. The intersection of SR87 and Bartlett is extremely dark during nighttime hours, resulting in recent accidents, including fatalities. Considering the high speeds observed on SR87, the implementation of turn lanes will enhance safety by allowing vehicles to exit the travel lanes more effectively.

The project includes installing speed feedback signs and improving roadway drainage (curb and gutter) on the east side of SR 287 from the canal (north of Padre Kino Dr) to SR 87. The drainage along the east side of SR287 from Vah Ki Inn to SR87 is insufficient, resulting in water accumulation and flooding at several business entrances in the area.

Funding for reimbursement of a non-federal match through the Arizona SMART Fund will ensure that the City of Coolidge is able to develop a travel-friendly environment, enabling the region to continue to overcome challenges associated with congestion, emergency response/access, and safety.

I want to thank you in advance for your consideration of the City of Coolidge's funding request. It is our hope that you will see the importance of this project in increasing the safety of residents in the Sun Corridor MPO region. If you have any questions or require additional information, please don't hesitate to call me at 520.705.5143.

Subject: SCMPO Approval for the City of Eloy SMART Fund Application

Dear ADOT MPD and Arizona State Transportation Board:

The Sun Corridor Metropolitan Planning Organization is pleased to inform you that we approve the City of Eloy's application to the Arizona State Match Advantage for Rural Transportation (SMART) Fund for the City of Eloy Safe Streets and Roads For All (SS4A), Safety project. This project demonstrates the initiative taken by the City of Eloy to address safety concerns and is an excellent candidate for the AZ SMART fund.

The City of Eloy's SS4A Project includes installing flashing LED stop signs, dual stop signs, and speed feedback signs on W. Frontier Street (SR 84) near the intersection of Battaglia Road. This project was identified during the Pinal County Strategic Transportation Safety Plan update. It ranked seventh when analyzing Pinal County intersections for crash rate and crash severity. Installation of stop signs and speed feedback signs will improve safety along the corridor.

The project includes installing northbound and southbound turn lanes and intersection lighting on State Route 87 at the intersection of Battaglia Road. The intersection of SR87 and Battaglia is extremely dark during nighttime hours, resulting in recent accidents, including a fatality. Considering the high speeds observed on SR87, the implementation of turn lanes will enhance safety by allowing vehicles to exit the travel lanes more effectively.

Funding for reimbursement of a non-federal match through the Arizona SMART Fund will ensure that the City of Eloy is able to develop a travel-friendly environment, enabling the region to continue to overcome challenges associated with congestion, emergency response/access, and safety.

**MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD

**FROM:** Irene Higgs, Sun Corridor MPO Executive Director

**DATE:** September 9, 2025

**SUBJECT:** Arizona Corporation Commission Annual Report

Article 15 of the Arizona Constitution establishes the Arizona Corporation Commission. Arizona is one of only seven States that have constitutionally formed Commissions. The Corporations Division approves for filing all articles of incorporation for Arizona businesses; all articles of organization for limited liability companies; grants authority to foreign corporations to transact business in this state; propounds interrogatories when necessary to determine a company's lawful purpose; and revokes the corporate charters of those corporations which choose to not comply with Arizona law. The Division collects from every corporation an annual report which reflects its current status, business, and financial condition; maintains this information in a format conducive to public access; responds to public questions concerning Arizona businesses and corporation law; and responds to the needs of the business sector by disseminating whatever information is mission-critical to them in the most expedient and cost-effective manner possible.

The Arizona Corporation Commission requires that the Annual Report is completed and submitted by August 20 each year. The Report requests an update of physical location, statutory agent, capitalization and officers. Failure to submit the requested report will result in a month penalty until the MPO is ultimately administratively dissolved by the Arizona Corporation Commission.

15	Local Government Project Report: Casa Grande, Coolidge, Eloy, Pinal County	
	<p><b>Casa Grande</b> - Mayor Fitzgibbons stated that the budget was just approved with a large emphasis on infrastructure improvements, with over \$200M going to these improvements. A community meeting will be held in August with a list of projects and timelines to help manage the expectations of the public, and show where that \$200M is going. Keeping the community informed on how we are managing these projects.</p> <p><b>City of Coolidge</b> - Nothing to report</p> <p><b>City of Eloy</b> - Nothing to report</p> <p><b>Pinal County</b> - Nothing to report</p> <p><b>State Transportation Board</b> - Jenny Howard stated that the State Transportation Board funded the improvements for SR347. Put off \$84M in maintenance projects, which is very unfortunate since we are running short on maintenance. Hopefully, we will come up with the funding to fund those three maintenance projects again.</p>

**MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD

**FROM:** Irene Higgs, Sun Corridor MPO Executive Director

**DATE:** September 9, 2025

**SUBJECT:** Discussion and Possible Action to approve the FY2026 Rural Transportation Advocacy Council (RTAC) Sun Corridor MPO Region Priority Project List

The Regional Transportation Advocacy Council (RTAC) has identified requesting one-time transportation funding from the state legislature as a viable and successful option for securing infrastructure funding for high priority projects. On May 19, 2025, the RTAC Board approved the recommendation to start the development of a priority project list for possible inclusion in the State budget for State Fiscal Year 2026-2027. RTAC is moving forward with an approach whereby the regional planning agencies of Greater Arizona each determine a list of prioritized projects. These individual lists will then be consolidated and presented to the State Legislature at the next legislative session. This allows the Legislators the opportunity to continue advocating for specific projects, but listed projects would reflect regional priorities of Greater Arizona.

The RTAC Board agreed that each COG/MPO in greater Arizona would assist in developing a project list of \$480M for consideration for next year by the Legislature. The funding allocation is proportional to population from the most current American Community Survey (ACS) statistics using data from 2019-2023. The proposed Sun Corridor MPO amount is as follows:

<b>RTAC Project Priority Funding Scenarios</b>	<b>SCMPO Distribution by Population</b>	<b>Member Agency Distribution</b>
\$480M	\$33,139,200	\$8,284,800

It was determined by the Sun Corridor MPO TAC to evenly distribute these funds to each member agency. However, partnerships/regional coordination for larger regional projects was strongly encouraged. It should be noted that these are State funds and therefore will not come with a local match requirement and will not have the same restrictions as many Federal funding sources. This effort does not preclude any local jurisdiction from pursuing separate one-time funding for other regionally significant projects.

The Sun Corridor MPO Staff recommends approval of the SCMPO Regional Project list.

**MEMO TO:** SUN CORRIDOR MPO EXECUTIVE BOARD

**FROM:** Irene Higgs, Sun Corridor MPO Executive Director

**DATE:** September 9, 2025

**SUBJECT:** Discussion and Possible Action to approve the appointment of Nina Arredondo as the Pinal County Representative to the SCMPO Technical Advisory Committee

Per Sun Corridor Metropolitan Planning Organization Technical Advisory Committee (TAC) By-Laws, Section III.C:

*“Nominations [for TAC membership] originating from a local jurisdiction or ADOT shall be accompanied by a letter from the appropriate city/town/county administrator or appropriate ADOT representative approving of membership to the Committee. Nominations shall be referred by the Committee to the Sun Corridor MPO Executive Board for approval.”*

On July 9, 2025, Dedrick Denton, Planning Manager for Pinal County Public Works, signed a letter requesting the addition of Nina Arredondo to the Sun Corridor MPO Technical Advisory Committee. Ms. Arredondo will serve as the replacement for Tara Harman, who has recently accepted a new role as the District 3 Project Manager for Pinal County.

Sun Corridor MPO staff recommends the approval to add Nina Arredondo as the Pinal County representative to the Sun Corridor MPO Technical Advisory Committee.

Dear Ms. Higgs:

I am pleased to inform you that Nina Arredondo has accepted the role of our representative on the Technical Advisory Committee, pending approval from Sun Corridor MPO.

Consequently, Ms. Arredondo will replace Tara Harman as the representative. Dedrick Denton will serve as the backup if Ms. Arredondo is unable to participate.

If you have any questions, do not hesitate to contact me.

Respectfully,

*Dedrick Denton*
